DECEMBER AND JANUARY IN SCOIL AOIFE

December and January have been very busy months here in Scoil Aoife! From Intercultural Week and its fantastic performances to all the fun of Literacy Week in January, there has been plenty happening around the school.

Classes have been getting active by taking part in tennis, GAA, hurling, rugby and martial arts. Everyone had great fun during the skipping workshop, while Senior Infants and 1st Class have loved getting into character and showing off their acting skills during their weekly drama workshops.

Meanwhile, 5th Class have been heading off to Citywise every Thursday and really enjoying the experience. We hope you enjoy reading about — and seeing — all the wonderful activities we've been up to below!

IMPORTANT DATES FOR FEBRUARY

2nd February- No school

3rd - 5th of February- Parent Teacher Meetings

19th & 20th - February Mid- Term

Intercultural Week

Scoil Aoife's first-ever Intercultural Week was a huge success and thoroughly enjoyed by staff, students, and families across the school community. Each class learned about a different country and proudly showcased their learning through a performance in the hall. Every class was outstanding, as were the choir and the Irish dancers. Classes also took part in African drumming workshops and enjoyed watching Ukrainian and Indian dancing performances. Of course, our annual Traditional Food Day was a highlight once again, bringing everyone together to celebrate culture through food.

Student Council 2026

This year, 8 children from 3rd to 6th class were chosen to represent their classes on the Student Council. The Student Council has already met and shared lots of brilliant ideas about how to make Scoil Aoife an even better place for everyone. They are doing a great job of speaking up for their classmates and making sure children's voices are heard in our school.

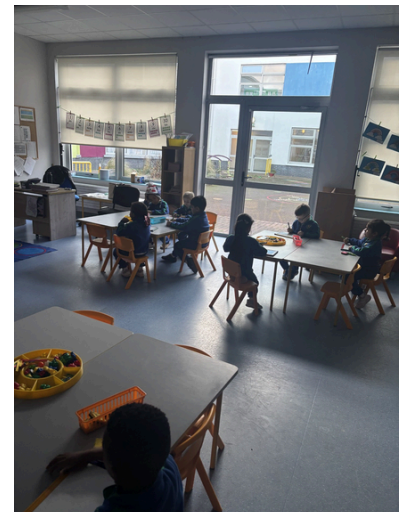

Art Club

The Art Club has been very busy with Ms Dooley every Tuesday after school, creating lovely artwork that has really brightened up our corridors. Well done to all the talented artists for their fantastic work!

Maths Quiz

Room 1 took part in a fun maths quiz with Junior Infant classes from around the country and loved showing how clever we've become since September!

Literacy Week

Literacy Week began on the 12th of January and was full of fun and excitement. The children enjoyed designing their classroom doors as book covers, visiting the book fair and attending a puppet show. Fourth class even got the chance to go on a special visit to Tallaght Library. Everyone had a wonderful time celebrating reading and books!

Boys Football

Some of the boys football team from 5th and 6th class participated in an AFCON inspired tournament representing Zambia. They played against lots of schools from South Dublin and met Pico, the captain of Shamrock Rovers.

Jonathan (6th class) captained the team as they represented our school exceptionally well in the National Basketball Arena
